

## **B-C-20 ERR Overview Document**

Utilizing OCD Policy 17-03, which restructures the former “Continuing Relevance” option, we have:

### **Re-evaluated**

Compared the activities to those implemented in the BC-18 grant

Reviewed the ERR to ascertain if comments inserted throughout are still valid

### **Updated**

One update is required. TBRA was cleared under Subject to 58.5 instead of Not Subject to 58.5

### **Conclusions**

There are no changes in the methodology to be utilized in the 2020 grant compared to the 2018 grant with the one exception of TBRA. *For the B-C-18 grant TBRA was cleared under Subject to 58.5 instead of Not Subject to 58.5.* In this ERR we will clear that activity under 58.5 Not Subject to.

For the remainder of the activities we conclude that the ERR established for the B-C-18 grant cycle is pertinent and valid. All the same activities are being utilized, the target area, county-wide, remains the same as well, and any Tier 2 project specific review will be conducted in the same manner.

**Therefore, the county will be seeking releases under the following categories per related activities:**

Tenant Based Rental Assistance- Not Subject to 58.5—CE not subject to certification

Private Owner Rehabilitation-Categorical Exclusion Subject to 58.5

Owner Home Repair- Categorical Exclusion Subject to 58.5

Administration & Fair Housing-Exempt—signed with Application-pull and include
